EXCERPTS FROM THE DEED OF TRUST

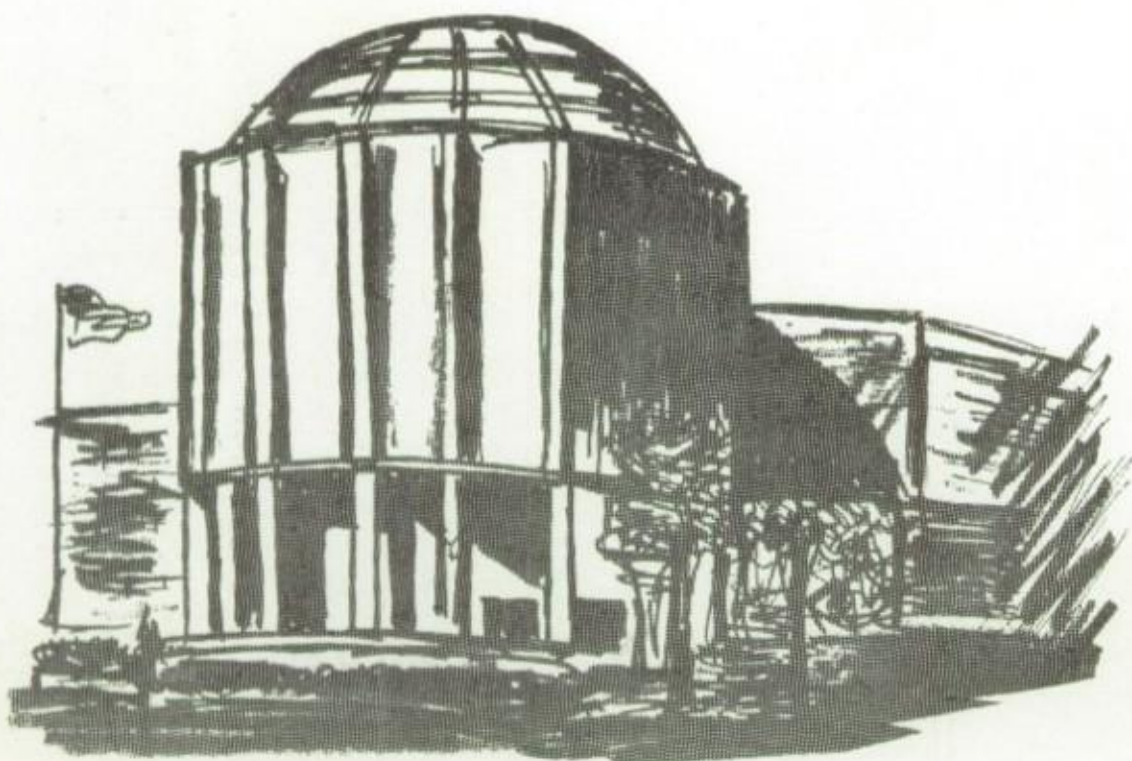

They shall be instructed in the several branches of a sound education, agriculture, horticulture, gardening, such mechanical trades and handicrafts as the Managers may determine, and such natural and physical sciences and practical mathematics as in the opinion of the Managers it may be important for them to acquire, and such other learning and science as the tastes, capacities, and adaptability of the several scholars may merit or warrant, to fit themselves for the trades they are to learn, and a useful occupation in life. No one fixed or established course shall be taken by all scholars, this being in the discretion of the Managers, bearing in mind that the main object in view is to train young men to useful trades and occupations, so that they can earn their own livelihood. Each and every scholar shall be required to learn, and be thoroughly instructed in some occupation or mechanical trade, so that when he leaves the School on the completion of the period for which he is to remain, he will be able to support himself . . .

BOARD OF MANAGERS—The administration of Milton Hershey School is directed by capable men, some of whom were personal friends of Milton S. Hershey and four of whom are alumni of the School.

Our President and Our Headmaster

Dr. John O. Hershey, President

Dr. Richard A. Rudisill, Headmaster

The success of a school depends greatly upon its administrative organization and the quality of its leadership. At Milton Hershey School we are indeed fortunate to have capable and responsible leaders. Our President, Dr. John O. Hershey, has been with the school since 1939 and has served faithfully those thirty-one years. Our Headmaster, Dr. Richard A. Rudisill, a native of Pennsylvania, came to Milton Hershey School in 1951 and was appointed Headmaster in 1963. Both men have proven themselves to be qualified administrators and their leadership has opened many opportunities for everyone.

PROGRESS PLANNING—Dr. John O. Hershey discusses plans for the future with Dr. Richard A. Rudisill.

Three Dedicated Teachers Retire

Born in Ottumwa, Iowa, on June 30, 1909, Mrs. Charles Bikle was brought up in the city of Des Moines and later resided in Glenside, Pennsylvania. Mrs. Bikle received a bachelor of arts degree from Swarthmore College. She also attended the University of Wisconsin and Columbia University.

Mrs. Charles Bikle taught English and Latin at Friends' School in Atlantic City prior to coming to Milton Hershey School, where she started her present career in 1955.

Prior to teaching, Mrs. Bikle was active in the Girl Scout Committee and Square Dance Club. Since 1937 she has become a member of the Derry Presbyterian Church and has also been a past president, secretary, and treasurer of the Milton Hershey Faculty Wives.

With extreme sincerity, the staff and students of MHS wish her a warm farewell.

Dorothy W. Bikle

Marion S. Ellenberger

Mrs. Marion I. Snively Ellenberger retires after forty-one years of service to MHS. Mrs. Ellenberger was born December 5, 1906 in East Hanover Township and was raised in Ono, Pennsylvania. She began teaching in 1930 at Harpers Department, an old student home located near Indiantown Gap. Since then she has taught at all three of the educational buildings on this campus.

Mrs. Ellenberger attended Millersville State Teacher's College where she earned her teacher's elementary certificate. She belonged to a dramatics club and chorus while in college. She then taught at East Hanover Township School for four years.

All of us will miss Mrs. Ellenberger after such a long and invaluable career with our school, and we all bid her a fond farewell.

After forty-one years of conscientious service to our school, Miss Eleanor G. King retires from education to enjoy fully her many other interests.

Miss King's background and experience have combined to make her a valuable part of our program. Invaluable teaching experience resulted from her serving as a teacher for five years in one-room schools in Bird-in-Hand and Mt. Pleasant, Pennsylvania. She came to Milton Hershey School in September of 1930, served as a teacher until 1946 at which time she was appointed librarian and has remained in that capacity until the present time. Her formal education was obtained at Lebanon Valley College where she received her bachelor of arts degree and Columbia University where the Master of Science Degree was awarded.

The alumni join with the School Family in expressing appreciation and warm wishes for the retirement years ahead.

Our Heritage

Sixty years of dramatic progress undergirds Milton Hershey School in its splendor today and provides the foundation for its claim to greatness in the years ahead. The School was born within hearts of love as Milton and Catherine Hershey signed the Deed of Trust on November 15, 1909, to begin the fulfillment of their dreams for boys whose families had been marred by tragedy. It was from humble beginnings of limited financial resources, Spartan facilities, a small student body, and a narrow program of service from which the School has grown to an institution of prominence.

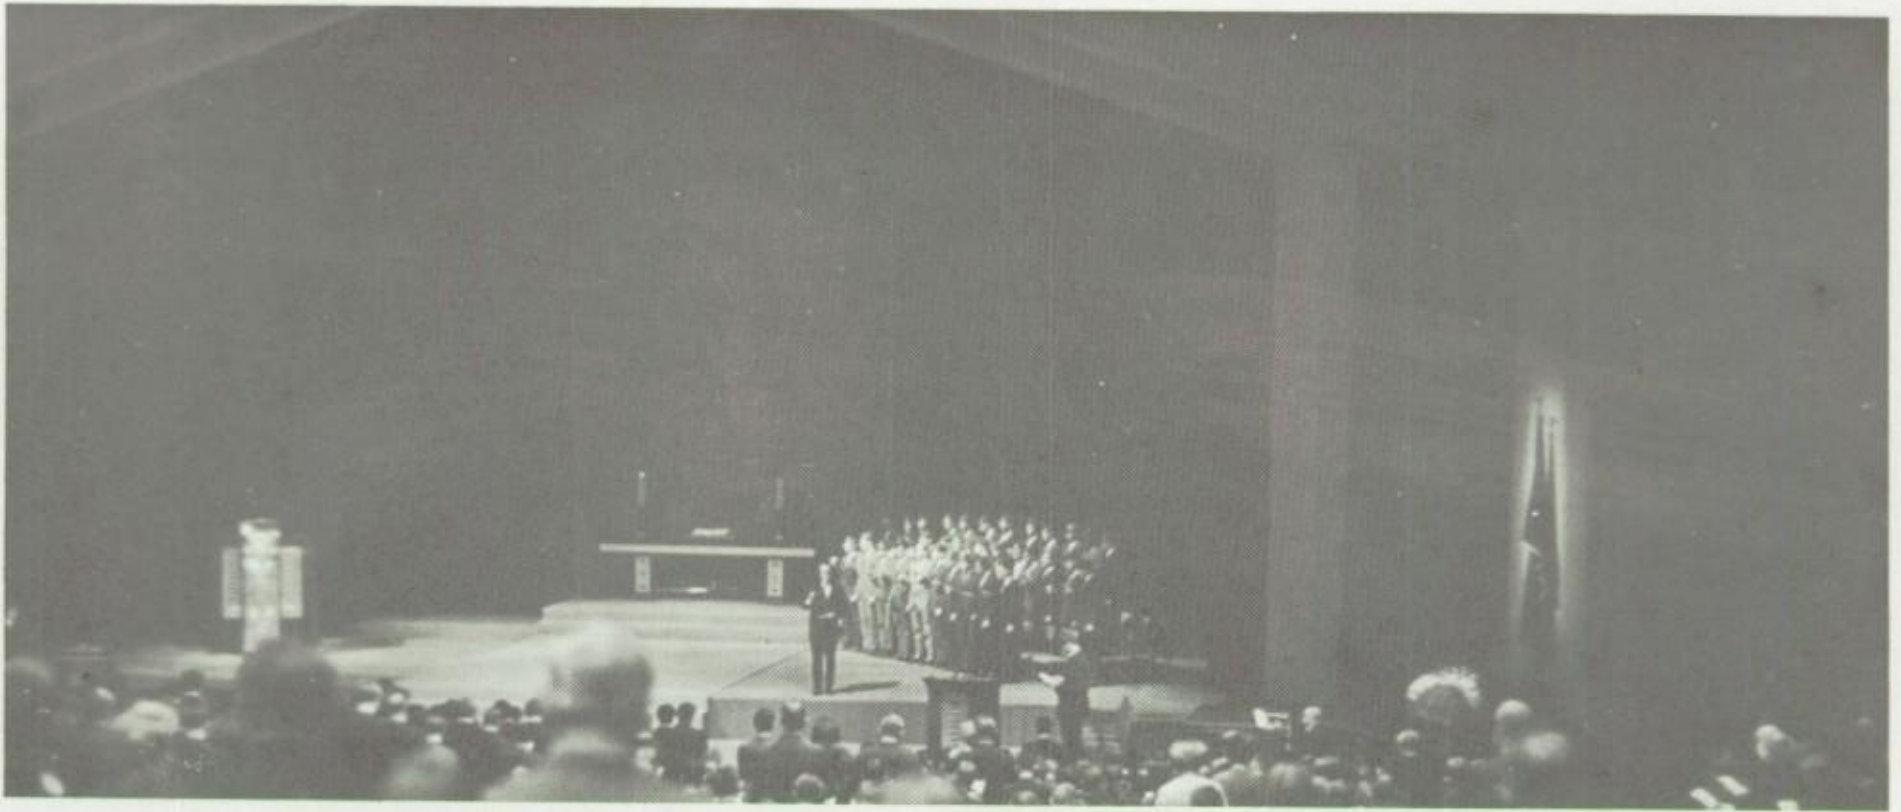

Second only to the spirit and wisdom of the founders are we indebted to the loyal and dedicated efforts of those who have accepted and lived by the philosophy of Milton Hershey School and have given themselves to the achievement of the objectives that measure the true greatness of the School in our society. Mr. and Mrs. George Copenhaver were entrusted with the leadership of the school during the early stages of organization and development. A host of others serving in capacities of Board membership, administrative supervision, classroom instruction, student homelife, and the physical services, have contributed in concert to the immediate needs of the students enrolled during the years and, at the same time, to the steady growth and expansion of the entire School program and operation.

Paralleling the increasing financial resources, came expanded facilities, extended programs and more students. From a classroom in The Homestead, another classroom in a renovated barn nearby, and still another at Harpers some miles away, more modern classrooms were built in Ivanhoe. Then came the Fannie B. Hershey Memorial Building, dedicated in 1927 to the memory of Milton Hershey's mother, followed by the opening of the secondary school building on

Patt's Hill in 1934. A rather simple curriculum for the boys in elementary school and the sending of boys in secondary school to the local public school now had given way to a more extensive and personalized educational program for all students of Milton Hershey School through a large, well-qualified professional staff using spacious, well-equipped facilities.

From one group of boys living at The Homestead, other groups came into being in other houses converted into suitable dwellings for large families of boys. It is worthy of note that, from the beginning, the founders wanted their boys to live in family groups rather than in dormitory fashion common to that period of time. During the early twenties we see the first newly-built student homes for the Junior boys located near The Homestead. It was in 1929 that the farm home concept first began to take form, whereby the older boys would be given opportunities to develop a sense of responsibility through daily work assignments and to have a richer life through daily contact with nature in its finest setting. By 1959 there were 48 homes dotting more than 10,000 acres of School land. By now a student body of 10 boys in 1910 had grown to a group of nearly 1100 boys. In addition to 2500 alumni, over 2400 other boys had benefitted through enrollment in Milton Hershey School, even though, for a number of family reasons, they did not remain at the School until graduation.

For our heritage we give thanks. It has provided the inspiration and challenge for, and indeed has demanded, the extensive efforts put forth in the decade just past in the study of and implementation of ways in which to keep the School abreast of the needs of the day, according to the expressed terms and within the implied spirit of the Deed of Trust which makes Milton Hershey School possible.

William R. Fisher
Director, Secondary Education

As director of secondary education, William R. Fisher has demonstrated unusual ability for again carrying out the many responsibilities with meticulous care, leaving nothing to chance. With seven years of service as principal at Milton Hershey School, he has improved instruction, supervision, and coordination of the educational program. Mr. Fisher graduated from the School in 1950 and returned to his alma mater in 1956. Since his enrollment in the School at the age of eleven, Mr. Fisher has proved to many boys that success comes from hard work.

A native of Campbelltown, Pennsylvania, Carl E. Stump graduated from Hershey High School in 1943. Since the time he joined our staff in 1956, he has been responsible for many details. In 1964, Mr. Stump was appointed assistant director of secondary education and has the responsibility of interpreting marking period results, orienting new teachers, issuing new rosters of personnel, counseling students, visiting classrooms and shops, and improving instruction. Mr. Stump and Mr. Fisher are greatly improving the many educational opportunities with their dedicated efforts.

M. Nelson Durand
Director, Intermediate Division

M. Nelson Durand, director of the Intermediate Division, has the responsibility of coordinating the educational and homelife program of the Intermediate Division. Ably qualified with bachelor of science and master of arts degrees from the Pennsylvania State University, he began teaching here in 1959. He is responsible for orientation of personnel, counseling of students, scheduling, and for sharing the responsibility for supervising the expanding summer school program held there.

Donald R. Witman, a native of Manheim, Pennsylvania, graduated from Elizabethtown College with a bachelor of science degree in 1958 and that same year joined our faculty at Senior Hall, later becoming a teacher of remedial reading and a varsity wrestling coach. Awarded a master of science degree by Temple University in 1964, Mr. Witman became assistant director of the educational program at Catherine Hall when the new facilities opened at the beginning of the 1966 school year.

William A. Hoover
Director, Junior Division

Born in Winburn, Pennsylvania, William A. Hoover spent three years in our armed forces and later served successfully as a newspaperman before coming to Milton Hershey in 1951. Graduating from Lock Haven College, he received his master of science degree from Bucknell University. He taught at Senior Hall and Memorial Hall before being director of elementary education. Mr. Hoover's responsibilities in supervising homelife of the elementary students provide a strong foundation on which they can build their lives.

Student Personnel Services

R. E. McLaughlin—Director, Student Personnel Services

Gene R. Layser—Director, College Placement

Frederick D. Miller—Director, Student Placement

Members of the Student Personnel Staff are involved in many facets of student life. Their principal responsibilities are handling all phases of enrollment and termination and helping students adjust to their new environment. The staff directs family-school relations and assists seniors in securing jobs and enrolling in colleges and technical schools. Counselors lend assistance to any boy who is confronted with a personal problem while enrolled at Milton Hershey School.

COUNSELING STAFF—Sitting: Thural V. Brehm, Mrs. Catherine Becker, Mrs. Barbara Hass, Richard C. Johnson. Standing: Grant T. Custer, William F. DeLiberty, and Joseph L. Roeser.

Student Homelife Supervision Staff

Alfred T. Gible—Director, Houseparent Staff

Joseph A. Brechbill—Director, Senior Division

Responsibility for providing a warm, homelike atmosphere where each boy strives for personal and social maturity rests chiefly in the hands of the Homelife Staff. The procurement and training of houseparents, the coordinating of the educational and home programs, scheduling of privileges, and the handling of disciplinary measures are added responsibilities for these staff members whose contributions play a very important part in the program at Milton Hershey School.

STUDENT HOMELIFE STAFF—Lawrence E. Best, Kenneth A. Longenecker, Gary W. Cooper, and Jacob A. Klinedinst.

Student Health Services

OH, NO!—As Dr. Lee Backenstose examines Mike Sokolowski's foot, Mike wonders about his future in football.

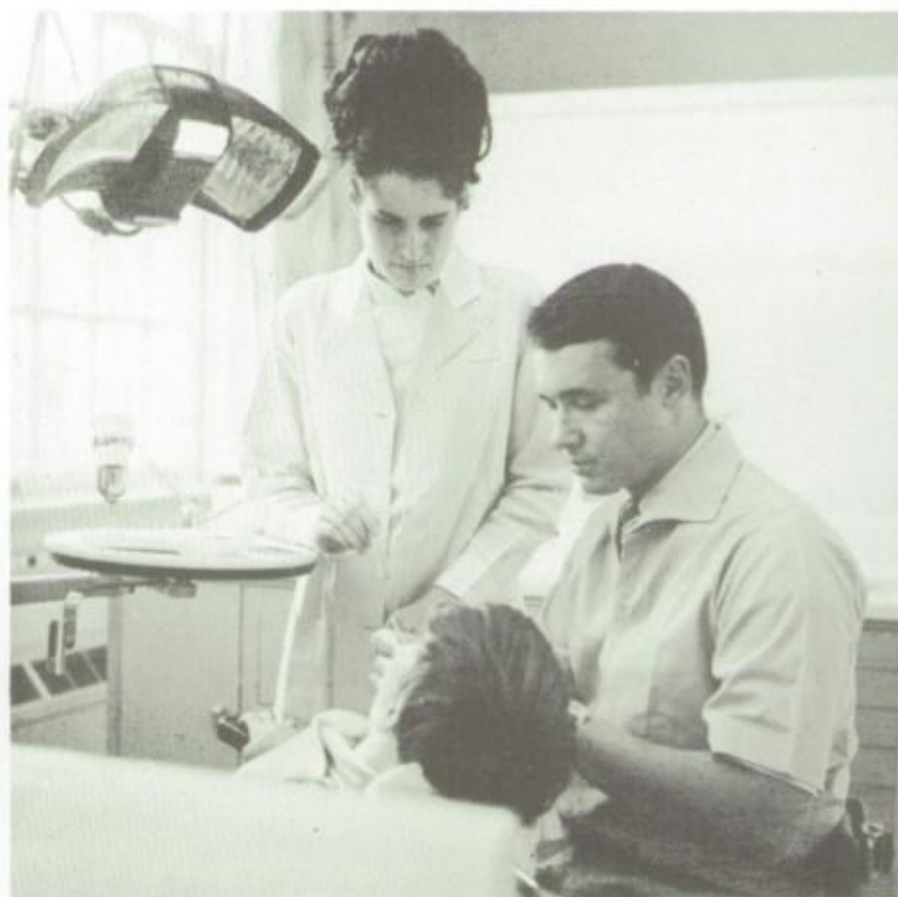

NURSES—Mrs. Eleanor Woods checks a student's medical chart, as Mrs. Sally Coulter and Mrs. Doris Gingrich look on.

The best in medical care is provided by our professional staff. This year marks the opening of the Milton Hershey School Health Center. The Hershey Medical Center is also available for those students who need extensive care.

Available to all students is the best in dental treatment including cleaning and the filling of caries and orthodontic treatment. Care of the boys' teeth is provided at clinics at both Senior Hall and at Catherine Hall for students in those divisions.

TWICE A YEAR—Student John Mercer gets his six month check-up by Dr. E. C. Schaeffer, with the assistance of Mrs. Marian Markley.

TOOTHACHE?—Dr. Donald R. Price along with Dental Hygienist Marilyn Snyder examine student Francis Bacon.

Department of Business Affairs

John M. Aichele

William A. Houtz

The building and renovation program of the past ten years has greatly added to the responsibilities of John M. Aichele. To this added work, there has always been the responsibility of procurement of food, supplies, and clothing and the maintenance of transportation facilities. Additional personnel for the care and maintenance of the expanding campuses and drives have added to the details of the Department of Business Affairs.

BUSINESS AFFAIRS STAFF—Sitting: John P. Meszaros, Woodrow W. Bonney, Howard H. Baum
Standing: Richard C. Hann, James H. Albrite, Dennis E. Hunter.

CLASS SONG

Music: G. Evans

Lyrics: R. Mills

We now men of Milton Hershey sing our song of praise,
Now we join the proud procession that has gone before.

Thankful for the help and guidance through our childhood days.
Men of Milton Hershey standing proudly at life's door.

As we leave our alma mater our hearts will always remember.
Minds prepared and spirits willing, as we go our separate ways.

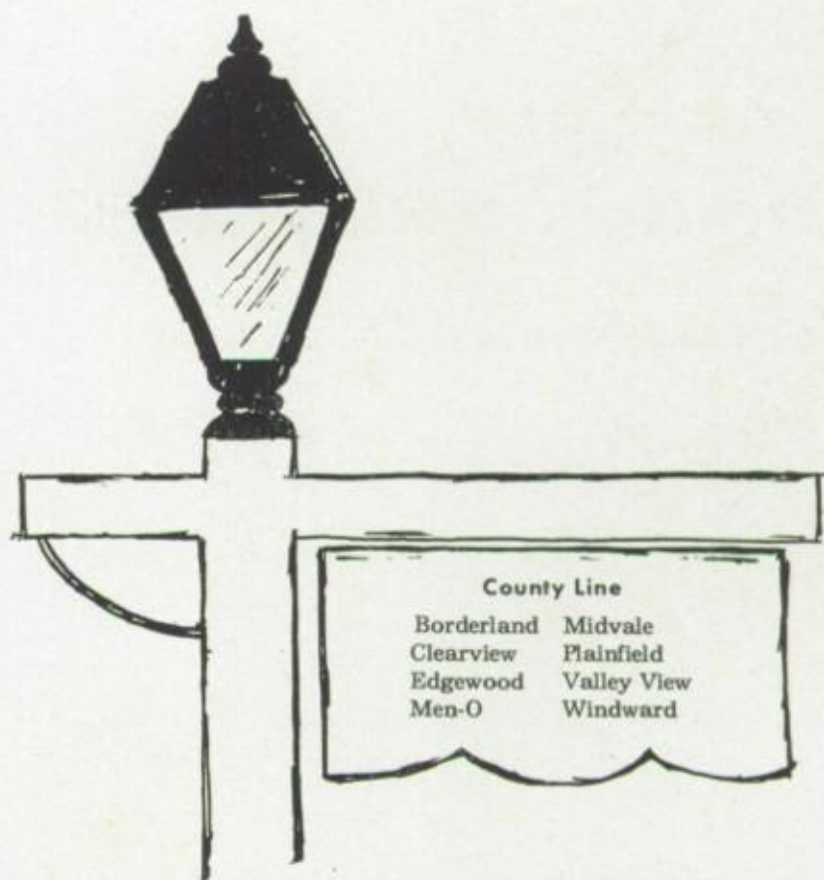

Friendships made and moments shared we'll cherish forever.
Our thoughts will off' return to the memories of these days.

Life At Our Student Homes

A student at M.H.S. spends a majority of his time at a student home. Each of these modern buildings is designed to provide comfortable living for fifteen or more boys and their houseparents. Here the boys live in harmony and develop lifelong friendships. Each student is expected to do his share of the work. Recreation, dining, and studying make up other phases of daily life. Each home fields teams in several sports to compete in intramural sports. Character, integrity, competitive spirit, cooperation, and honesty are important ideals which each student strives to attain.

Student Home Chores

BARN CHORES—E. Kline milks a cow as part of his daily barn chores.

ACTIV

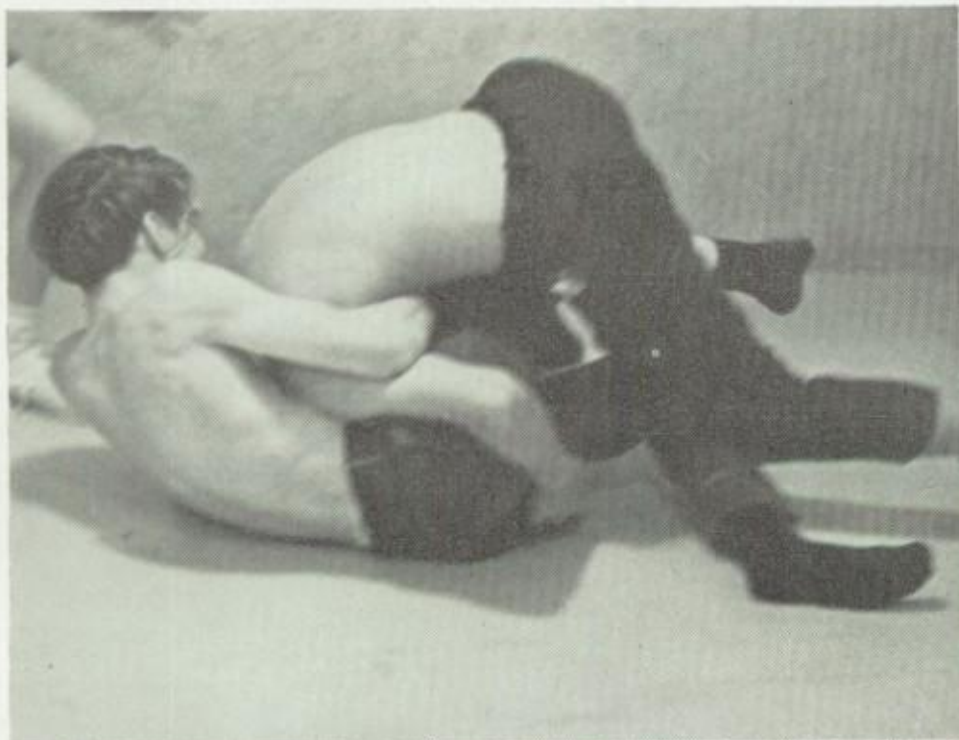

STILES

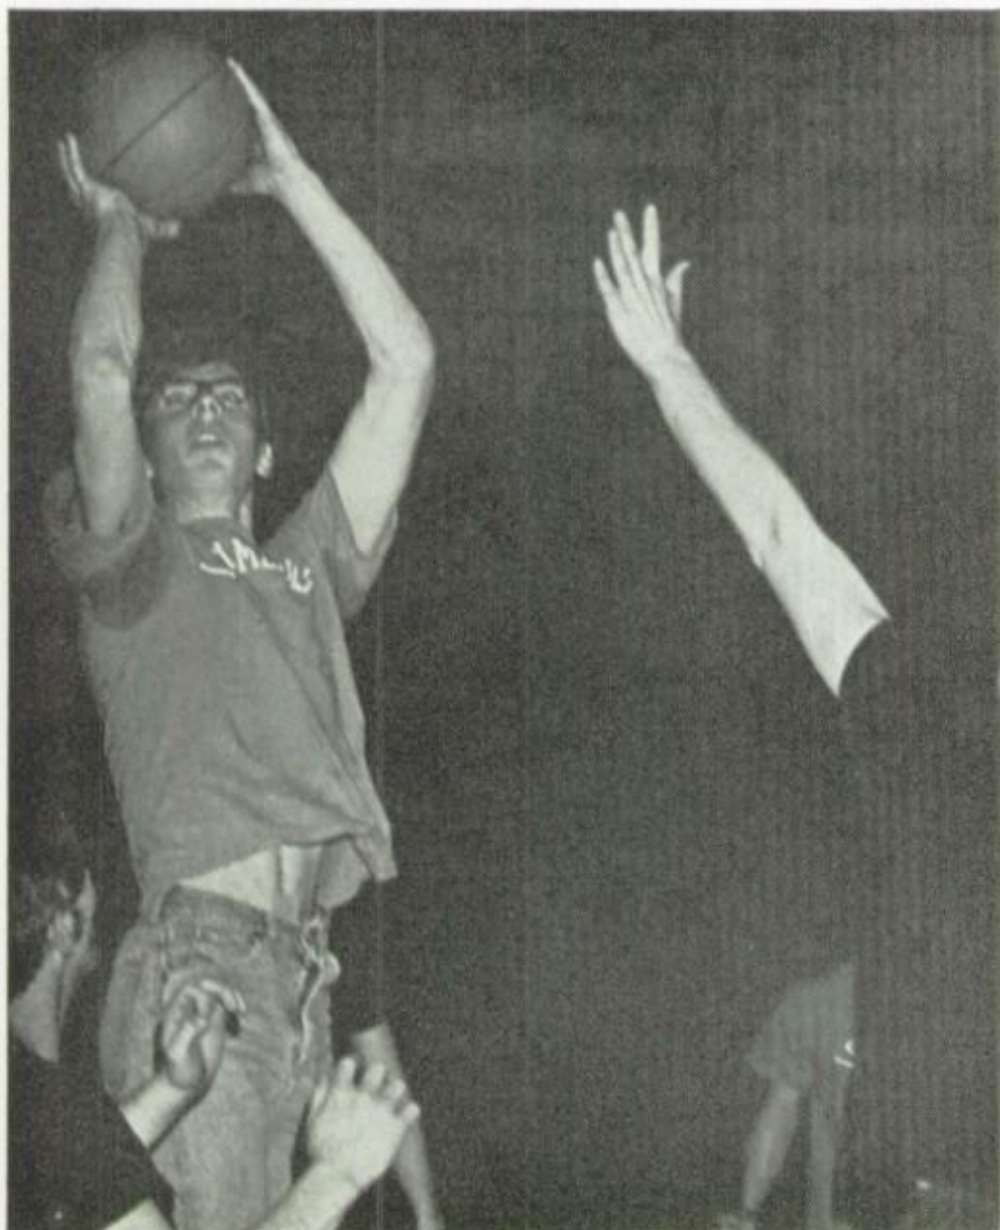

Student Home Activities

LET'S HAVE A PARTY!—Students enjoy themselves at a student home party.

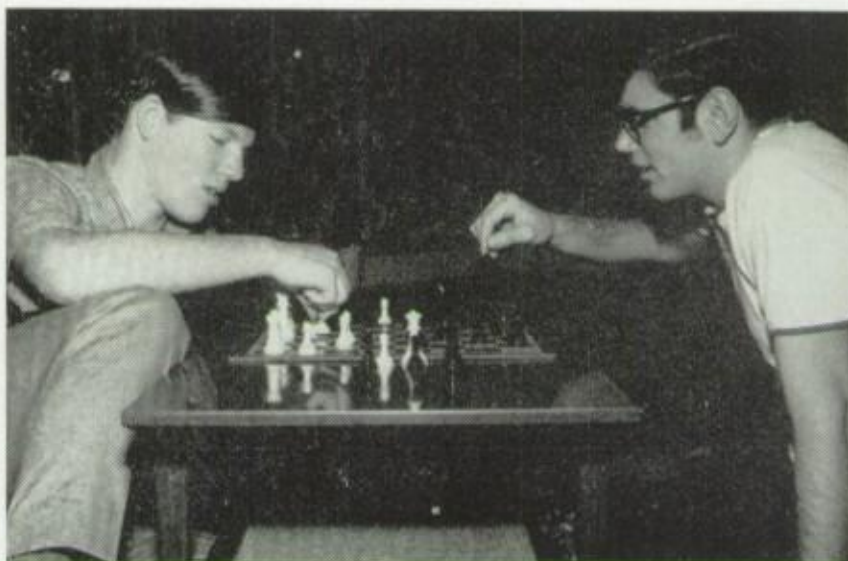

Intramural Sports

INTRAMURAL SPORTS—Students learn the value of competition through intramural sports.

CLOSE GAME—Peter Loria and Douglas Kriegel engage in a vigorous game of ping pong.

BAD MOVE!—Ernie Kline and Timothy Althouse engage in a game of strategy.

With Lawrence Best as director of recreation, the Intramural Sports program progressed rapidly through the competitive seasons. All students had an opportunity to participate in volleyball, ping pong, basketball, softball, chess and checker tournaments, and hockey. The 1970-71 program was successful and hopefully it will continue to be effective in meeting needs of the students.

NATIONAL HONOR SOCIETY—Seated: F. Carollo, A. Leonzi, R. Davis, I. Frees, F. Mardula, S. Hayes, W. Lyndon Hess, adviser. Standing: G. Weiss, P. Norris, J. Cardow, W. Phinezy, J. Halbleib, T. Rothert, E. Sarver, D. Reis, F. Bozarth, W. Yeager, M. Beck, W. Mahaney, E. Kline, C. Darkes, F. Biser, R. Carney.

The National Honor Society is composed of students who have demonstrated extraordinary qualities of scholarship, leadership, character and service. Under faculty adviser W. Lyndon Hess, the membership of the society has grown considerably since its beginning in 1956.

Students displaying high emotional and social maturity and who, through their conduct, rank among Milton Hershey's finest men, are awarded membership in the Headmaster's Society.

HEADMASTER'S SOCIETY—First Row: J. Muzichuck, R. Weidman, J. Halbleib, M. Sokolowski, D. Reis, J. Perzel. Second Row: H. MacDonald, P. Moffa, W. Phinezy, R. Tomassi, S. Ryan, S. McAdams, F. Mardula, R. Rountree, T. Rothert, R. Davis, G. Lynn, F. Malloy, J. Carter.

Student Government

STUDENT GOVERNMENT LEADERS—J. Halbleib, vice president; Sean Ryan, president; M. Sokolowski, treasurer; R. Staniszewski, chaplain; J. Egnew, secretary.

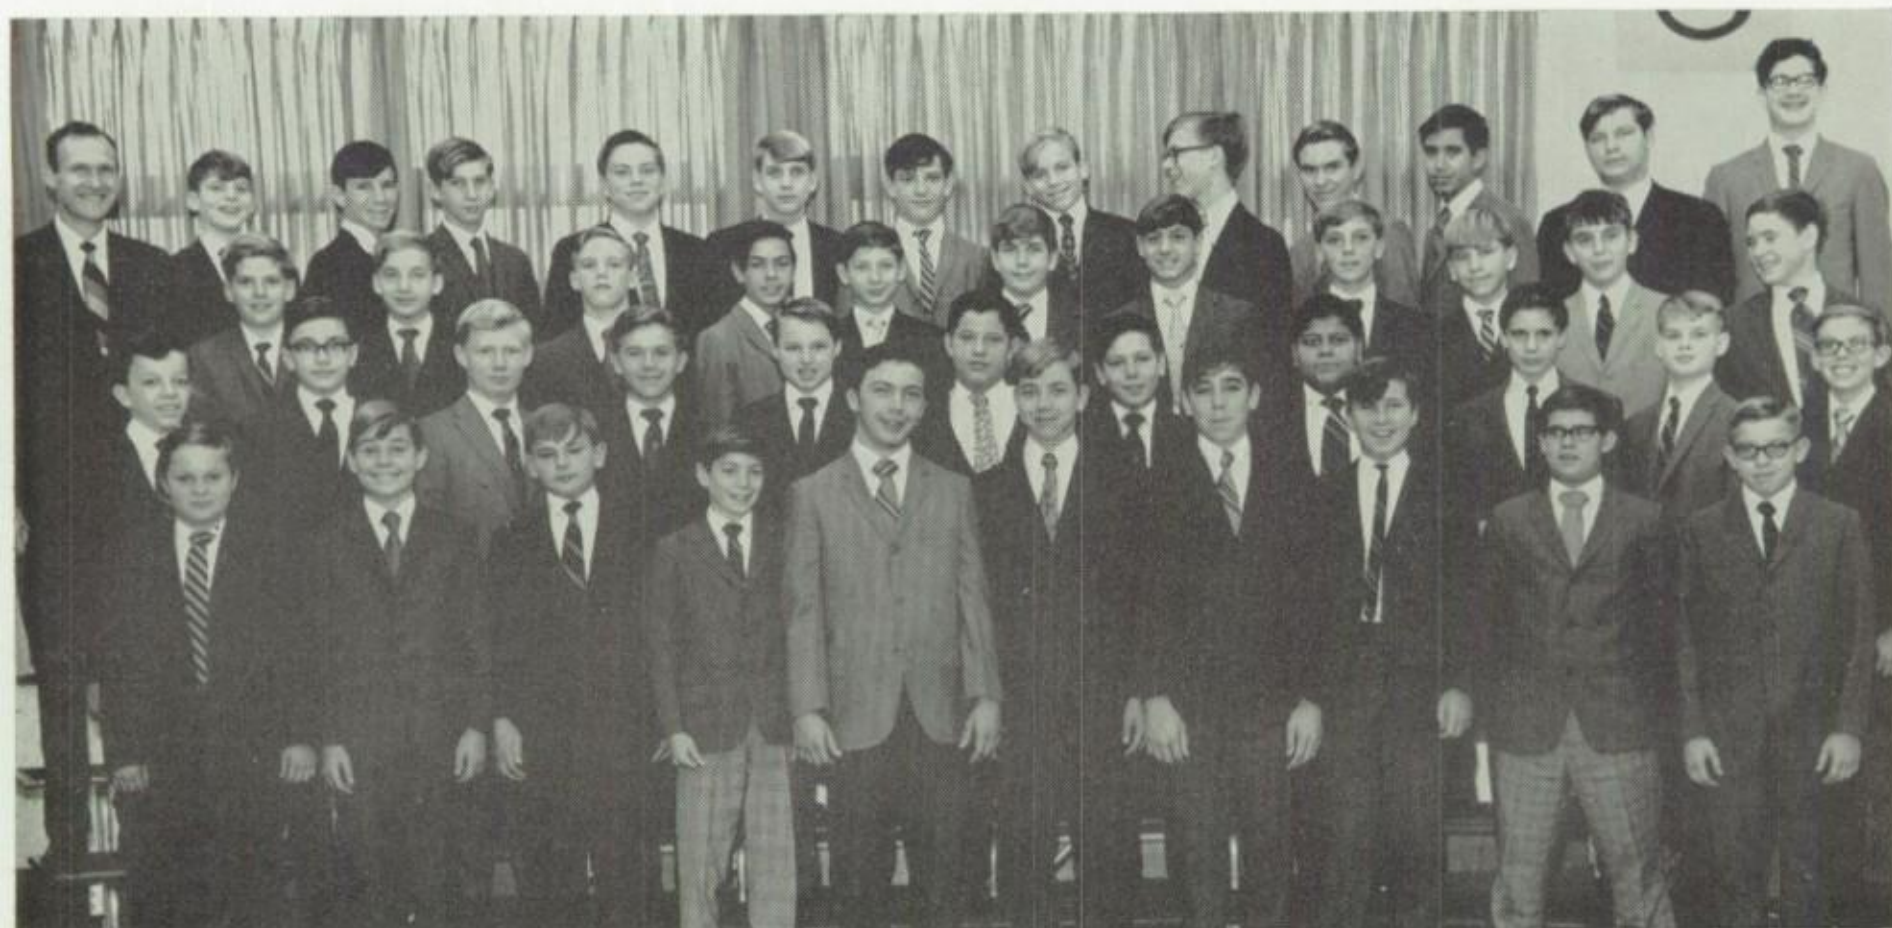

GOVERNMENTAL ADVISERS—Virgil L. Alexander, Joseph A. Brechbill, and William R. Fisher.

The Cabinet, an innovation of the Senior Senate, includes elected representatives of the six senior division clusters, team captains, and the former activities council. The Cabinet meets regularly with Dr. Rudisill to discuss the current school policy and to review student recommendations.

The student body president presides at all Senior Senate and Cabinet meetings. The office of student body president is filled as a result of a student body election, which makes the president the official representative of Milton Hershey School.

STUDENT CABINET—First Row: R. Weidman, K. Clinger, V. Anderbery, S. Ryan, J. Muzichuck, S. Notter, R. Mills. Second Row: E. Sarver, P. Moffa, J. Egnew, F. Mardula, R. Norris, P. Loria, M. Somers, J. Halbleib, J. Alexander.

The Student Senates share with the administration the leadership of the student body by exercising powers delegated to it by the Administrative Staff. Its purpose is to promote the general welfare of the school in all matters pertaining to the behavior of students and morale of the school. Each year, the Senior Senate undertakes helpful projects serving the school and student body. Any ideas which the senate feels are significant for further investigation are taken to the Headmaster directly through the student cabinet.

The Milton Hershey Band provided outstanding performances for Spartan fans. The shows, all having a refreshing new touch, reflected the devoted work and ingenuity of Director Ray B. Miller.

Every minute of each half-time show was anticipated by the audience as the band executed its intricate movements.

The band also served the school by playing for convocations, concerts, and dedications.

To promote off-campus relations, the band presented some exchange concerts, marched in the Miss America Pageant Parade and performed for the Governor.

Under the direction of W. Purnell Payne, the Spartan Orchestra has become one of the best bands in the area. It uses various styles of music that range from waltzes to all types of jazz.

Each year the Orchestra competes in the Central Pennsylvania Stage Band Competition and has always rated in the top five. In the past few years, the orchestra has earned more credit than ever before.

The orchestra constantly works hard to reach perfection for the greatest sounding band in existence. With everyone's cooperation, it has achieved the excellence it deserves.

Virgil L. Alexander

WHAT WILL IT BE?—Virgil Alexander discusses what the Glee Club will sing with the officers D. Scarlett, G. Evans, H. MacDonald, R. Mills, and H. Schteiden

Throughout the years, the Glee Club has continued to be one of the finest school choral groups throughout the country. Under the direction of Virgil L. Alexander, the Glee Club performs at the weekly Worship Service, schools, hospitals, colleges, and social gatherings. Their invaluable contributions create an excellent public image. The Glee Club does more than just represent the school well; it also promotes spirit, responsibility, and pride for the Milton Hershey man.

THE SPARTAN, the news magazine for Milton Hershey School, was awarded the Medalist rating at the latest evaluation of the Columbia Scholastic Press Association. This was not the first time that THE SPARTAN captured this highest possible rating at the annual convention held at Columbia University. Judgment is made on the basis of literary content, writing, editing, and the general make-up.

THE SPARTAN is published six times during the school term. The issues are called Fall, Christmas, Literary, Alumni, Spring, and Graduation.

Because of the large contributing staff, THE SPARTAN presents a greater variety of features of more interest.

As the school year continues, it becomes necessary to provide some form of accurate record of events. Hours of preparation and production place into a few pages the work and accomplishments over the year. In producing this record, we not only boost morale but also provide a memory book, offering training in journalism, business organization, and printing, all of which are invaluable to the education of a number of students. Except for the service of a professional photographer, the ACROPOLIS is solely the product of the Milton Hershey School.

The Milton Hershey Cross Country team finished their season with a repeated 7-3 record under the coaching of Edward B. Ruth.

Out of the starting eight runners, five crossed the finish line under 14:00 minutes throughout the season and two of the senior members came close to breaking the school record.

Although Coach Ruth will be losing six seniors, he is confident that promising underclassmen can fill the vacancies.

The Varsity Football team began their season with a Homecoming victory over arch-rival Hershey in the Annual Cocoa Bean Game. The Varsity Football team compiled a 4-6-1 record and tied for fifth place in the C. A. C., under the coaching of John Hoerner.

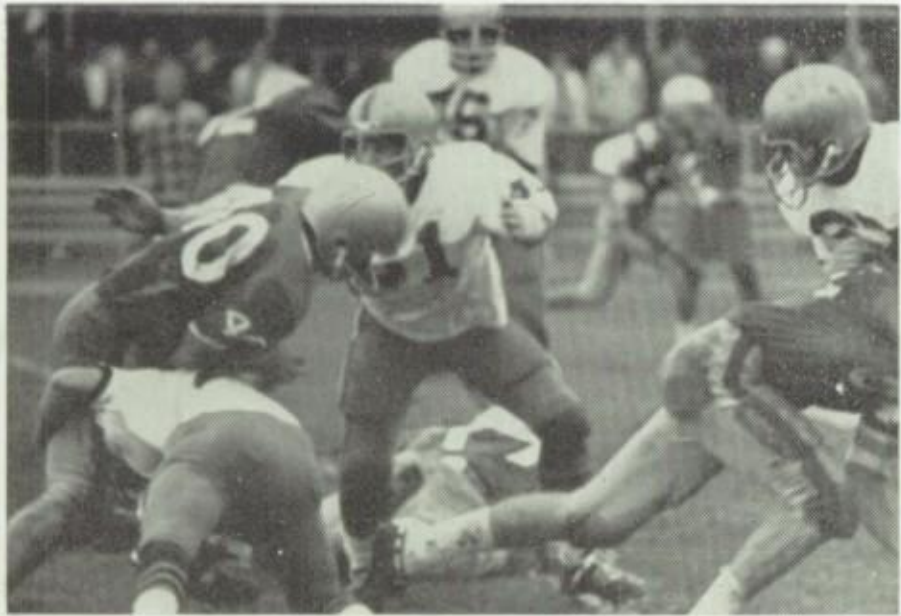

During the season the offense scored a total of 143 points while the defense allowed only 18 points a game. The highlight of the season was a total of 1040 yards rushing by Bob Weidman.

The outlook for next year is particularly good with experienced men returning to both squads along with promising candidates from the Junior Varsity and Freshmen teams.

The Junior Varsity Football team closed their season with a respectable 3-2-3 record, under the coaching of David W. Klingensmith and Gilson "Buz" Cash.

This was the first year that the Varsity and Junior Varsity teams practiced together. This experiment benefited the Junior Varsity squad by giving them valuable experience. Having five coaches working with both squads increased the effectiveness of each individual and the squad as a whole.

Against eight opponents, the Spartans held five scoreless. The offense was busy scoring ten touchdowns, while the defense allowed only eight touchdowns, five of which were scored in the Lower Dauphin game.

Coaches Klingensmith and Cash look forward to another good year with the return of most of the squad and the help of some promising freshmen.

The Freshman Football team got off to a slow start in their first year of interscholastic football and finished with a 1-6 record. Coaches Terry Light and John Davis worked the team hard, but the Spartans usually came out on the low end of the score. Their record was not impressive, but it did not show how well the offensive and defensive squads worked together. This year's Freshman team worked as a unit and there were no outstanding individuals, just lots of sweat and learning from everyone. Although the Freshman didn't win often, they gave everything on the field.

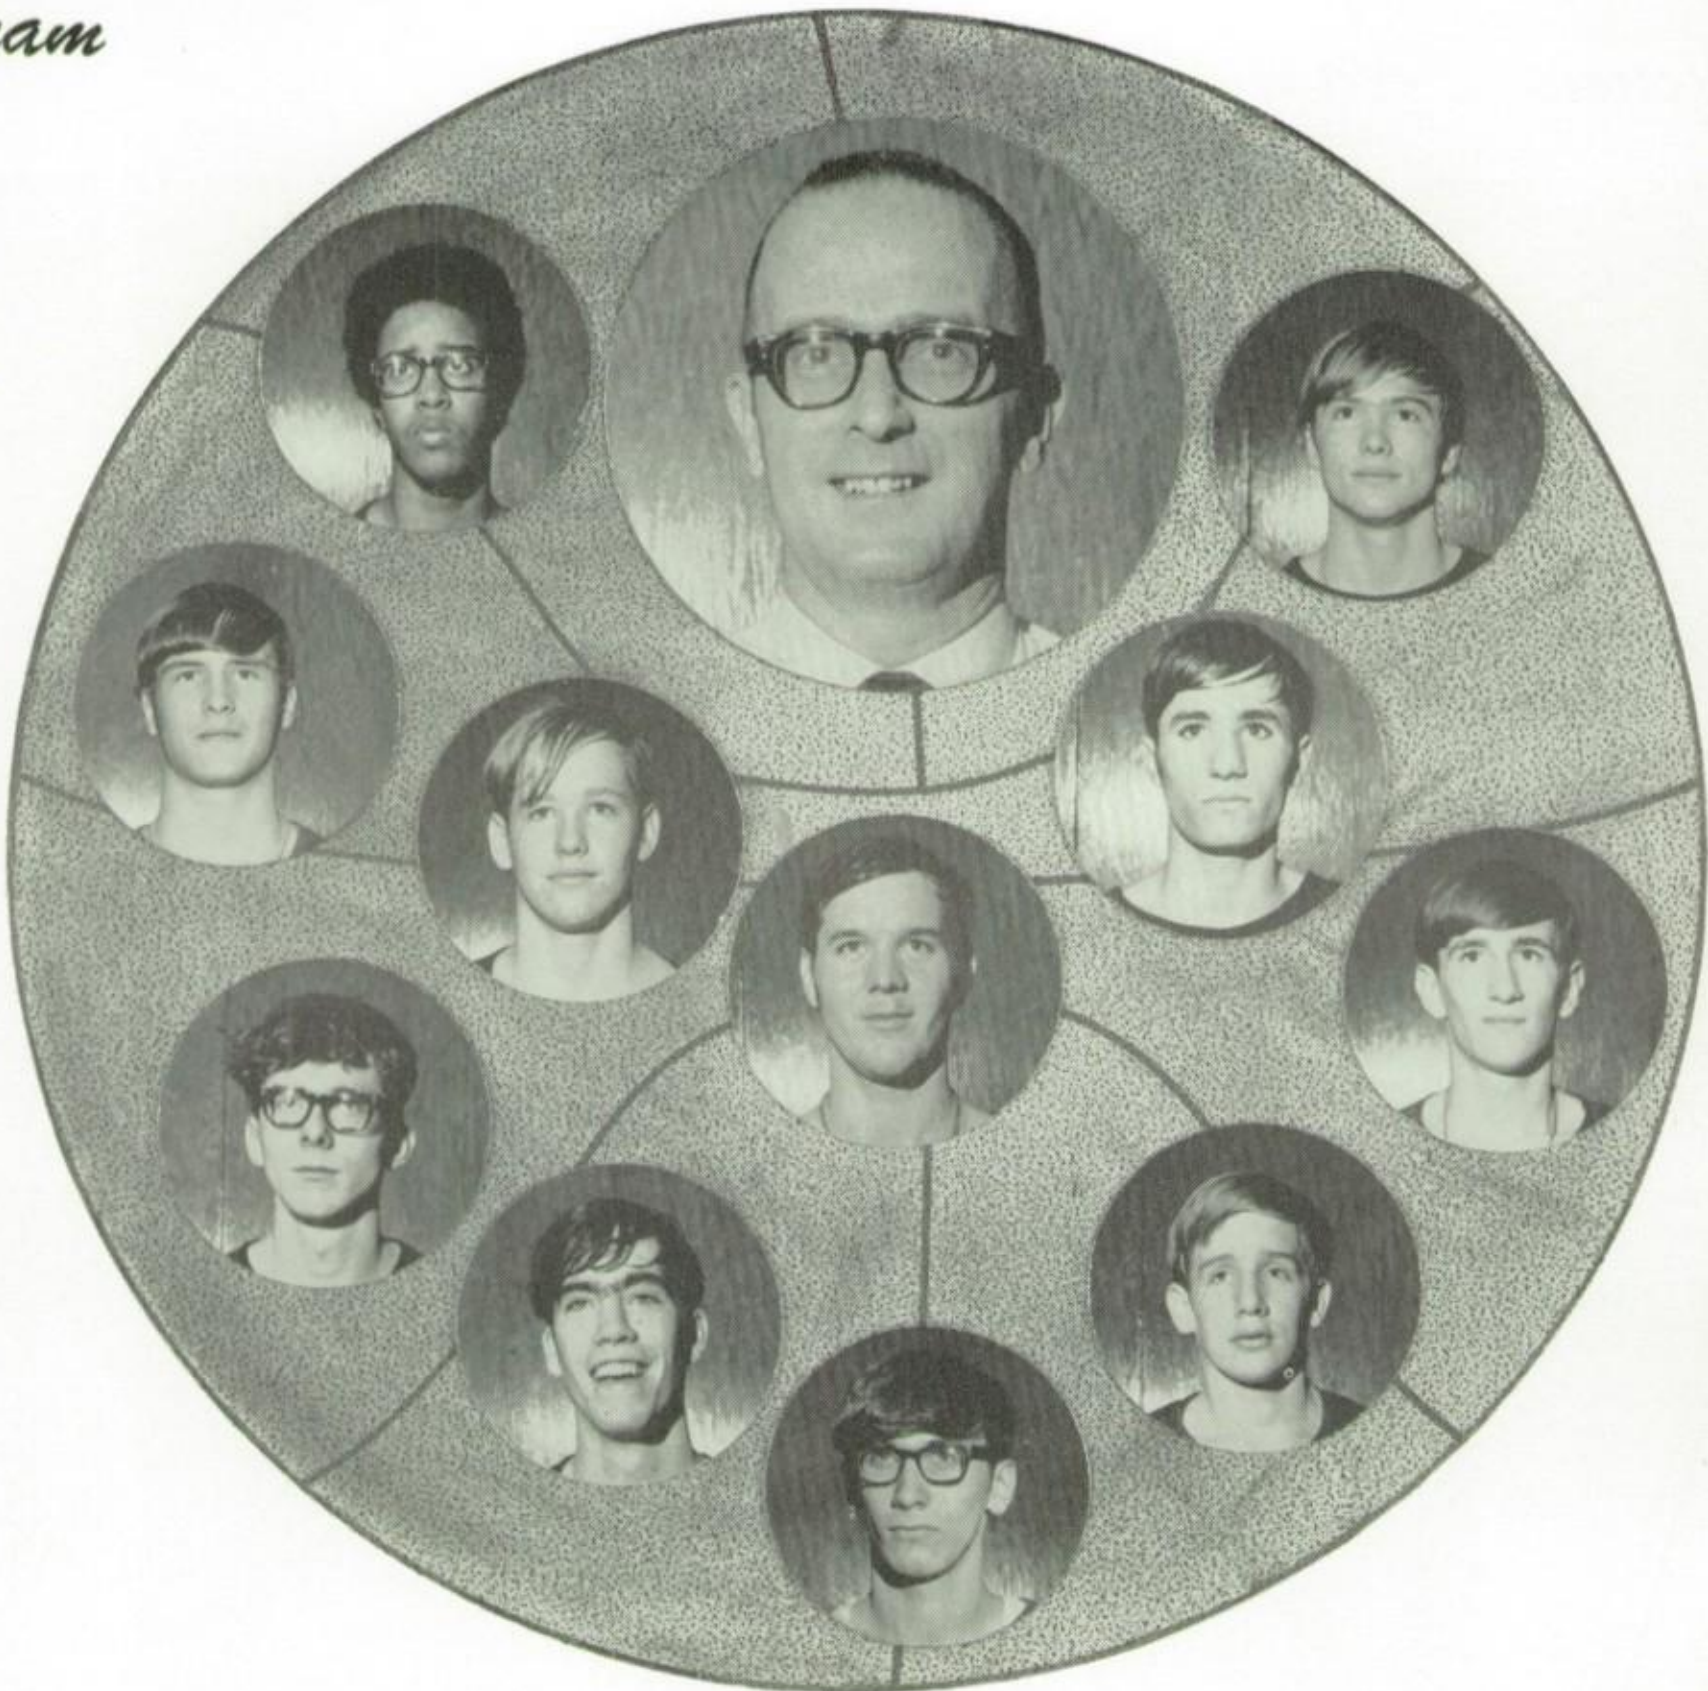

The purpose of the Freshman team is to gain experience. Many Freshman showed great potential and both coaches expect to hear the most of their team on the Junior Varsity and Varsity squads next year.

The Varsity Basketball team, under the leadership of John A. Cook Jr., employed this year for rebuilding purposes. During the reconstruction, the squad accumulated a 6-16 record.

The highlight of the season was the presentation of a Larry E. Hollingshead Basketball Trophy, in honor of the late Larry E. Hollingshead, to the best all-around player. This year, the award was given to a sophomore, Ralph Tomassi.

Coach Cook looks forward to a strengthened squad next year, with most of this year's squad returning and great potential coming from the Junior Varsity team.

Under the coaching of David G. Thompson and Wallace R. Conway, the Freshman Wrestling team finished its short season with a 5-2 record. The entire squad worked as a team throughout the season. The highlight of Freshman Wrestling team's contests was a 53-9 victory over Middletown. Some of the outstanding wrestlers were Robert Lister, James Bright, Michael Hussey, and Allan Cylc; however, the whole team contributed to every win. The team gained valuable experience by practicing with the Varsity and Junior Varsity squads after their season ended. Coaches Conway and Thompson see bright futures ahead for most of their wrestlers.

The Varsity Wrestling squad strived to rebuild this year, under the coaching of D. Willis Hartman, ending its season with a 1-13 record.

At the Lehigh University tournament, however, the team proved its ability to compete. The Spartans tied with Mercersburg for third place in overall competition. In addition, Mike Sokolowski won the 170 pound championship, Mike Sommers took second place in the 158 pound class, Joe Berning placed third in the 188 pound class, and Jeff Andrews wrestled his way to a fourth place spot in the heavyweight class.

The Junior Varsity squad finished a very successful season with a 10-3-1 record, under the coaching of Bryan P. Seese.

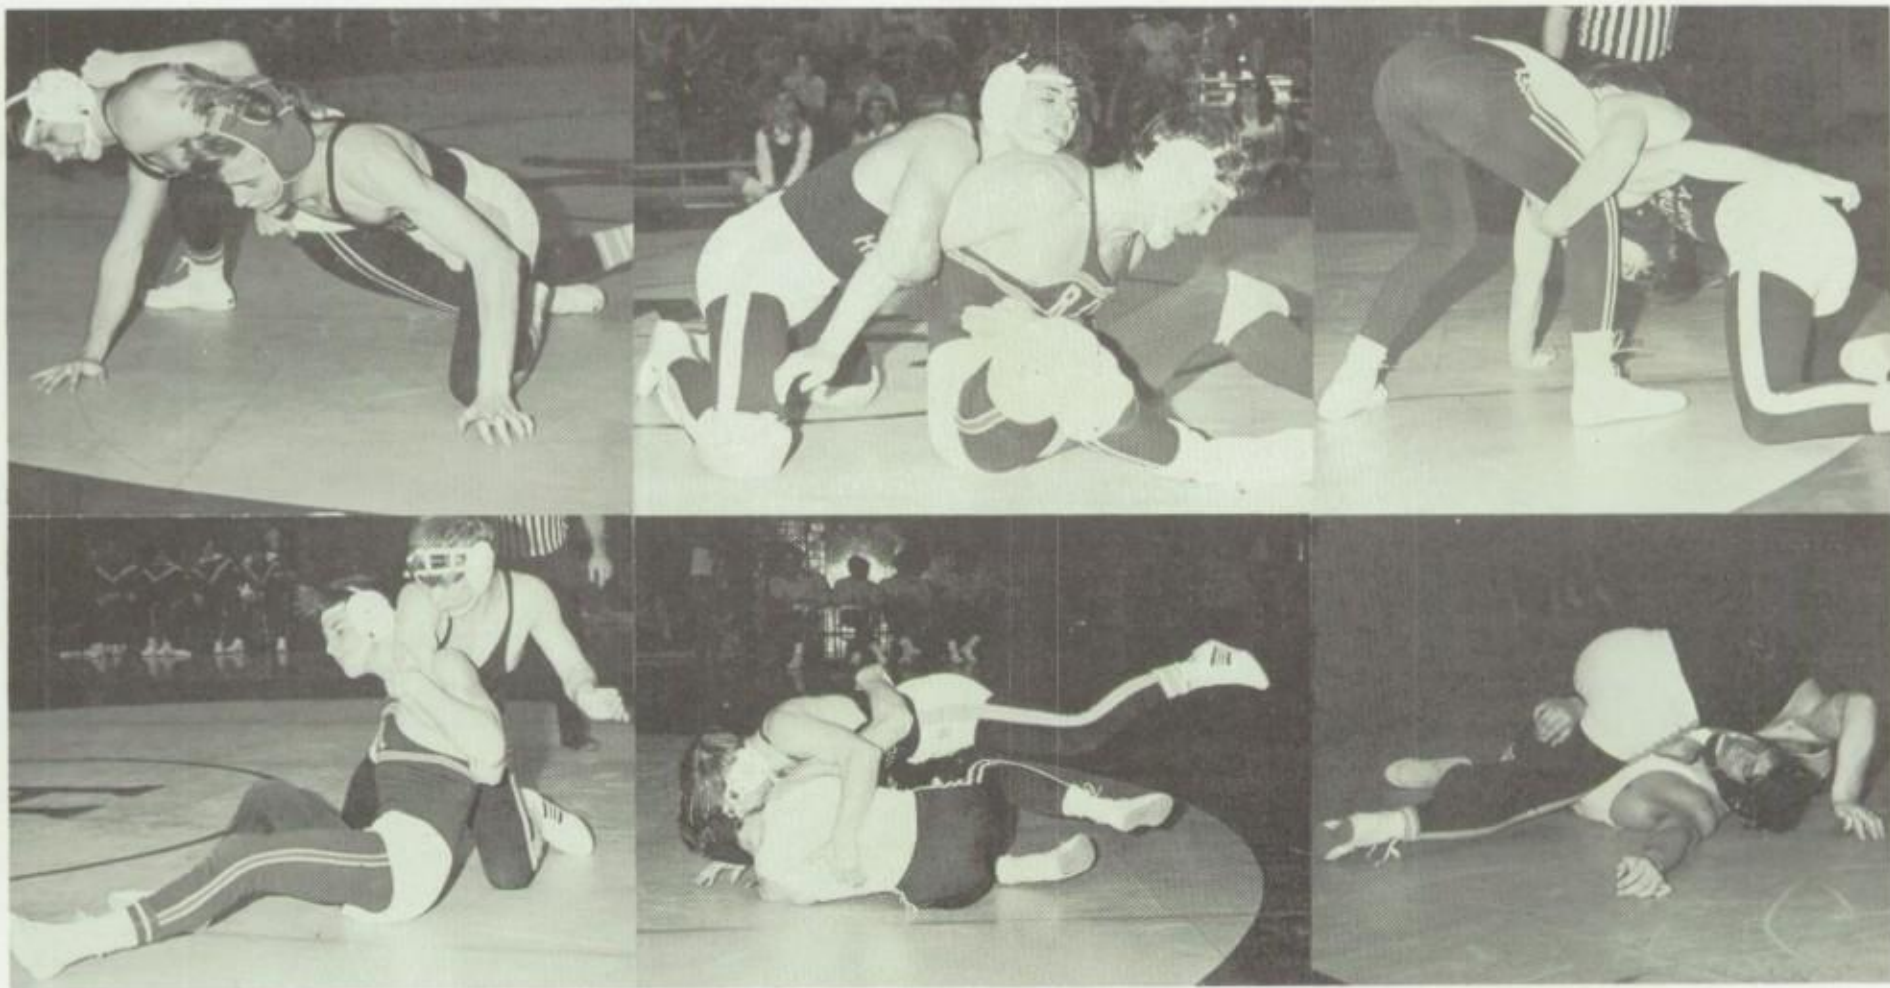

Both coaches can be confident of good seasons next year with the potential of the remaining underclassmen.

The Varsity Swimming team finished in sixth place in the Central Penn League and compiled a 8-6 log under the coaching of Richard M. Thieler and Robert L. Oesterling.

In league competition, the Spartans outscored their opponents 671 to 620 in points and, at the same time, broke 200 individual records. In the Easton Relays, the team won twenty awards and placed fourth in competition with sixteen teams.

The coaches expect an improved team next year, with most of the veterans returning.
